

PRINCE KUSHWAHA

Full Stack Web Developer (MERN)

 +91 7000782975 •  kushwahaprinced43668@gmail.com •  Rewa, Madhya Pradesh •  github.com/princekushwaha542 •  theprince-exe16.netlify.app

PROFESSIONAL SUMMARY

Passionate and detail-oriented MERN Stack Developer currently pursuing a Bachelor of Computer Applications (BCA). Hands-on experience in building secure full-stack applications, responsive user interfaces, and robust backend APIs. Eager to leverage skills in an impactful Web Development Internship where I can contribute to real-world projects while continuously upgrading my technical expertise.

TECHNICAL SKILLS

Frontend:	HTML5, CSS3, JavaScript (ES6+), React.js, Tailwind CSS
Backend:	Node.js, Express.js
Database:	MongoDB, Mongoose
Tools & Tech:	Git, GitHub, Postman, VS Code, REST APIs
Security:	JWT (JSON Web Tokens), bcrypt, User Authentication

PROJECTS

Backend Hub – Secure Authentication API Node.js, Express, MongoDB

- Designed and developed secure authentication APIs utilizing Node.js, Express.js, and MongoDB.
- Implemented highly secure user sessions using **JWT** and robust password hashing via **bcrypt**.
- Followed RESTful architectural principles for clean, modular, and scalable backend API routes.

Portfolio Website – Responsive Web App React.js, Tailwind CSS

- Built a modern personal portfolio website from scratch to dynamically showcase key projects and technical skills.
- Optimized layouts and UI components ensuring full responsiveness across mobile, tablet, and desktop devices.

Prince's Jukebox – Interactive Music Player HTML5, CSS3, JavaScript

- Developed a dynamic web-based music player leveraging native DOM manipulation and core JavaScript.
- Implemented interactive audio features including play, pause, skip, and responsive volume controls with a polished UI.

EDUCATION

Bachelor of Computer Applications (BCA) Expected Graduation: 2027

APS University — Rewa, Madhya Pradesh (5th Semester)
